

China Grill Restaurant is pleased to invite you to a vernissage cocktail with free hors-d'oeuvres and special optional Tasters' Choice menu offer.

You'll have an exclusive preview of the work of two creative souls, from **Avant Garde Studio** gathering to present their shots of the "Afro-chairs" one of the visual art artist **Nathalie Guez** creations.

As brought in the westmount urban context, the "Afro-chairs" are presented through a loving, admiring, sensitive, sometimes even jealous eye.

A limited serie of pictures will be put up for sale and a share of the proceeds will go to *Dans la rue*, an organisation serving homeless youth.

So bring some friends along and join us, on Wednesday December 10th from 5:00 pm, for a great evening that will surely satisfy both your eyes and your palate.
